NOTIFICATION

Sub: Invitation of application for Collaborative Research Grants for the year 2018-19

Ref: 1. Decision of the Syndicate in its Meeting dt.27.07.2018
2. Approval of Hon'ble Vice-Chancellor dt.31.07.2018

The applications are invited for collaborative research between the scientists of Indian Institute of Science, Jawaharlal Nehru Centre for Advanced Scientific Research, Institute for Stem Cell Biology and Centre for Human Genetics and teachers of Govt., Super Specialty Hospitals and Four Old Govt. Medical Colleges (BMCRI-Bangalore, MMCRI-Mysore, VIMS-Bellary and KIMS-Hubli) affiliated to RGUHS for the year 2018-19.

The calendar of events for collaborative research for the year 2018-19 are as follows:

1.	Inviting of applications	1 st week August to 31 st September 2018
2.	Scrutiny of applications	First Week of October 2018
3.	Evaluation by Experts and Joint Committee	Second week of October 2018
4.	Presentation by the Principal Investigators and review by Joint Committee	Last Week of October 2018
4.	Placing of recommended proposals before Syndicate	November 2018
6.	Release of grants	December 2018

IMPORTANT INSTRUCTIONS TO THE APPLICANTS:

1	The prescribed application forms can be downloaded from RGUHS website http://www.rguhs.ac.in/AdvancedResearch.htm from 01.08.2018
2	Proposals will be evaluated based on the information provided in Section A and B separately.
3	The Joint Research Committee will interview the eligible Principal Investigators and Co-investigators for award of grants
4	The decision of the Joint research committee is final.
5	The Research Grants will cover the following: <ul style="list-style-type: none">• Cost involved in getting the required tests done outside in case of non-availability of infrastructure required in the institution• Honorarium for the supportive staff involved in research work. It should not exceed 30% of the total project cost. Ph.D Students can be taken as Junior Research Assistants provided that their research work is not related to the research project submitted by the Principal Investigator for research grants.• Presentation of the research paper in national conference• Publication of the final paper in the indexed national/international journal with high impact factor.

	<ul style="list-style-type: none"> • No grants will be released for the purchase/rental/lease of the equipments/software/hardware
6	Institutional (Human) Ethical Committee clearance is mandatory for processing of research proposal
7	Wherever animal experiments are involved, it is mandatory to have CPCSEA approval of the institution and the Institutional Animal Ethical Committee shall be formed as per CPCSEA guidelines and IAEC clearance of the project is mandatory.
8	If the research proposal does not involve any human or animal experimentation, then the Principal Investigator and Principal / Head of the Institute shall give an undertaking to that effect.
9	Intellectual Property Rights will be governed as per the guidelines issued by RGUHS.
10	All the Principal Investigators of the Research Project shall necessarily follow the guidelines issued by Indian Council for Medical Research, New Delhi or any other apex body guidelines as applicable to that faculty
11	Research grants will not be provided for conducting service camps in the communities, health education programmes, routine health checkups and screening of populations/groups, etc.
12	Such of the Principal Investigators who have already received the research grants from RGUHS for the year 2014-15, 2015-16, 2016-17 and 2017-18 and Principal Investigators selected for collaborative research are not eligible to apply. Also PG and Ph.D. students are not eligible to apply. In case, if any of the Principal Investigators of the above mentioned years, have already submitted their Final Report on research projects and published the article, and is accepted by the University, then such candidates can apply for release of research grants for the year 2018-19
13	The fulltime teaching faculty working in affiliated institutions conducting UG/PG/Super Speciality courses are only eligible to apply for this research grants.
14	One Principal Investigator can apply for one research proposal. In addition he/she can become Co-Investigator for only one more proposal from the same institution.
15	The Principal Investigator can propose maximum of two Co-Principal Investigator out of which one shall be from the same department and same institute where the Principal Investigator is working.
16	<p>The Principal Investigator, Co-Investigator and Head of the Institute shall affix their seal and signature only in the Section A. Section B should not contain the signature or any other mark or information which reveals the identity of the candidate.</p> <p>Please note that the softcopy of the application for research grants shall be sent by email: rguhsresearch@gmail.com. Further, a hardcopy of the same to be sent to the following address:</p> <p>The Director, Advance Research, Rajiv Gandhi University of Health Sciences 4th T Block, Jayanagar, Bangalore – 560 041 with superscription on the cover “Application form for Collaborative Research proposal”</p> <p>The last date for sending email and hardcopy of the collaborative research application form is 31.09.2018 – 5.30 p.m.</p>

19	For any further details the applicants can contact 080-26961946 on all working days between 10.30 a.m. to 5.00 p.m.
20	The discretion for award of grants totally rests with the University and subject to availability of funds.

Special note: All the above instructions should be strictly adhered to with regard to filling and submission of application, the failure of which will result in rejection of application without assigning any reason.
