## CIRCULAR

Sub: Deputation of teaching staff of Govt. Autonomous Medical Colleges for residential training program on molecular and cell biology techniques relevant to Medical Research at Indian Institute of Science – reg.

Ref: University Notification of even number dated 01.01.2019

With reference to above subject, it is brought to your notice that Rajiv Gandhi University of Health Sciences has taken the initiative of arranging residential training program in Molecular Biology at Indian Institute of Science, Bangalore for teaching faculty in the departments of Pathology, Microbiology and Biochemistry working at the Medical Colleges and Super Speciality Institutions affiliated to RGUHS. The aim of this program is to update the knowledge of the Teaching Faculties in the field of Molecular and cell biology techniques relevant to Medical Research.

The details of the proposed residential program has been hosted on RGUHS Official Website [www.rguhs.ac.in](http://www.rguhs.ac.in).

The Dean/Director/Principals of Govt. Autonomous Medical Colleges affiliated to RGUHS are hereby requested to depute two staff each from the Departments of Pathology, Microbiology and Biochemistry for the said residential training program. The deputed teaching faculty need to fill-up the requisite application form available in the above mentioned website. The names along with the mobile numbers and email IDs of the deputed staff may be sent by email to [rguhsresearch@gmail.com](mailto:rguhsresearch@gmail.com) on or before 28.02.2019

Kindly treat this matter as priority.
