* * *

Preamble :

RGUHS was established in the year 1996 by an Act of Karnataka Legislature called RGUHS Act 1994. The colleges conducting Health Sciences courses which were affiliated conventional Universities in Karnataka were carved out and were affiliated to RGUHS. All these colleges are on annual affiliation. Some of the colleges are 40-50 years old. The statutes governing granting permanent affiliation were framed by Senate and sent to Chancellor through Government. Chancellor assented the statutes and was gazetted dated: 08.03.2001.

Meanwhile no college/institution affiliated to RGUHS applied for grant of Permanent affiliation and University has been conducting annual inspection and granting annual affiliation.

The number of colleges/institutions affiliated to RGUHS has increased from 210 in 1996 to over 650 in 2016. University is finding it difficult to arrange for LIC inspection, placing the reports before the appropriate authorities and communicating the same to the colleges concerned. The statutes framed were not made use of due to lack of proper guidelines for the operation of the same. Hence, Syndicate in its 110th meeting held on 21.11.2015 constituted a committee to study and frame proper guidelines for granting permanent affiliation in accordance with provisions of RGUHS Act 1994 and the statutes drawn there under. The committee met several times and after detailed discussions, submitted its report on 08.11.2016.

The recommendations of the Committee regarding guidelines for the grant of permanent affiliation were accepted by the Syndicate in its 124th meeting held on 06.01.2017. Hence, this notification.

NOTIFICATION

"In exercise of the powers conferred under section 35 of RGUHS Act, 1994, the Syndicate is pleased to notify the guidelines for grant of permanent affiliation in addition to other provisions of the statutes governing grant of permanent affiliation as shown below:
