* * *

Pursuant to the MCI Notification referred at (3) above, for admission to MBBS course,
the following shall be added in the Revised Ordinance Governing MBBS Degree Course and
Curriculum of Phase I & II Subjects- 2004 under I in section III relating to 1. ELIGIBILITY
1.1 Qualifying Examination the following clarifications are notified : -

SI No	Qualifying examination	Eligible / ineligible
1.	Candidate having qualified 10+2 examination i.e. after 12 years of study, where the last two years of study comprise of Physics, Chemistry, Biology / Biotechnology and any other elective subject with English from a Recognized Board. Candidates must have regular, coterminous, simultaneous teaching and training in the subjects of Physics, Chemistry and Biology in Class 11 th & 12 th along with practicals in Classroom mode in a Regular School.	Meets the test of regular and continuous two years of study of Physics / Chemistry / Biology or Biotechnology, along with practicals taken together in Class 11 th & 12 th hence Eligible.
2.	Candidates who have studied Biology / Biotechnology as 6 th subject in Class 11 th & 12 th including practicals along with the other mandatory subjects with practicals in Classroom mode in a Regular School and possess a consolidated pass mark-sheet of Class 11 th & 12 th of a Recognized Board stating marks of all six subjects including Biology/ Biotechnology.	Meets the test of regular and continuous two years of study of Physics / Chemistry / Biology or Biotechnology along with practicals taken together in Class 11 th & 12 th , hence Eligible.

3.	Candidates having studied Class 11 th & Class 12 th in Classroom Mode in a Regular School but have failed in a subject in class 12 th for which he / she shall take the Compartment Examination from the Recognized Board to which the School is affiliated and successfully clears the Compartment Examination.	Meets the test of regular and continuous two years of study of Physics / Chemistry / Biology or Biotechnology along with practicals taken together in Class 11 th & 12 th , hence Eligible
4.	Candidates studying in Classroom Mode in a Regular School but fail either in Class 11 th and / or Class 12 th shall reappear in Class 11 th and / or Class 12 th from a Recognized Board to which the School is affiliated and successfully clears Class 11 th and / or Class 12 th Examination. In cases where the Regular School issues Class 11 th and / or Board issues Class 12 th mark-sheet as failed and thereafter when the candidate reappears in Class 11 th and / or Class 12 th Examination and the Recognized Board treats him as a Private Candidate	Meets the test of regular and continuous two years of study of Physics / Chemistry / Biology or Biotechnology along with practicals taken together in Class 11 th & 12 th , hence Eligible. However, the candidate would be required to place both the fail and pass mark sheets of Class 11 th and / or Class 12 th before the Counselling Authorities
5.	Candidates studying in Classroom Mode in a Regular School in Class 11 th & Class 12 th but re-appearing in examination for improvement of performance on account of various reasons and the Recognized Board treats him/her as a regular student.	Meets the test of regular and continuous two years of study of Physics / Chemistry / Biology or Biotechnology along with practicals taken together Class 11 th & 12 th , hence Eligible
6.	Candidates who have studied Class 11 th with the requisite subjects / practicals in Classroom Mode in a Regular School but subsequently after gap year study Class 12 th with the requisite subjects / practicals in Classroom Mode in a Regular School.	Meets the test of regular and continuous two years of study of Physics / Chemistry / Biology or Biotechnology along with practicals taken together in Class 11 th & 12 th , hence Eligible
7.	Candidates who have studied 10+2 with Physics, Chemistry, Mathematics and after passing 10+2 have appeared with Biology / Biotechnology as an Additional Subject of the same Board in the subsequent year and have passed it.	Do not meet the test of regular and continuous two years of study of Physics / Chemistry / Biology or Biotechnology along with practicals taken together in Class 11 th & 12 th , hence Ineligible

It may be noted in the above table that recognized Board has not been defined. Hence, for the university purpose, recognized Board shall be defined as "Any Board which is recognized by the Council of Board of Secondary Education or Indian Council of Secondary Education or any Board/ Council/School which is established under an Act of the Parliament"
