1)	<p>Prof. S. Ramachandra Setty brought to the notice of Syndicate regarding non University subjects studied in the B.Pharm courses</p> <p>1) Computer Applications in Pharmacy- 4 credits 2) Communication Skill- 3 credits</p> <p>Shall have to be studied by lateral entry students in 3<sup>rd</sup> semester. Due to some technical issues these students data regarding these subjects for students of 2017-18, 2018-19 and 2019-20 were not entered in the 3<sup>rd</sup> semester marks card and therefore he suggested that since these two subjects are non University subjects and no need to record their marks scored, instead mention it as "Credit completes" in the 8<sup>th</sup> semester marks card.</p> <p>However, for lateral entry students from 2021-22 onwards, the credit completes shall be entered in the third semester marks card only as "Credit completes".</p>
