b. APPROVAL OF ALLOTMENT OF FUNDS TO VARIOUS SPORTS ACTIVITIES FOR THE FINANCIAL YEAR 2023-24:

Details of sports activities of RGUHS for the year 2023-24, which is prepared and proposed by the Deputy Registrar (Sports) was placed in the Finance Committee. FO explained to the Committee that till date these proposals for meeting the expenditure for Sports activities, purchase of sports items etc., were neither placed before the FC nor before the Syndicate. Since, this involves huge Budget of around 3 - 4 Crores, and in the absence of RGUHS Financial Statutes, the subject is placed before the Finance Committee for the approval and also to set certain guidelines as per Rules.

The main points involved for discussion in this proposal put up by DR (Sports) is -

1. Enhancement of present rate fixed for the conduct of Sports activities by the colleges and release of the same in advance.

FO told that since RGUHS does not possess any Financial Statutes of its own. And also informed that the advance cannot be paid to the private persons or private college authorities because, the recovery cannot happen in case of any default since their salary is not released by RGUHS. After the detailed discussion the Committee approved for the Advance payment for the conduct of Sports activities should be a onetime measure only for the FY 2023-24. Before the commencement of the sports activities for the next Financial Year i.e., 2024-25, RGUHS shall have its own Financial Statutes which shall prescribe and cover all the Financial Powers under which the University Authorities have to function.

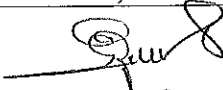

2. TA / DA advance to be paid to the sports men / women and coaches of the Affiliated colleges under RGUHS.

On the advance of TA / DA to be paid to the sports men / women and coaches of the Affiliated colleges under RGUHS, FO told that, once the advance is given, no proper account will be submitted to Finance Section on time. And also, the advance cannot be paid to the private persons or private college authorities because, the recovery cannot happen in case of any default since their salary is not released by RGUHS. FO suggested, if needed, the advance can be given to the DR (Sports), who shall collect and submit the bills properly on time. Even the Registrar, the permanent invitee, also told the same. The other members of the Committee decided that the procedure followed in the previous years shall continue for the FY 2023-24 also, so that no delay has to happen and no sports activities shall be hampered. The Committee This approval is a onetime measure to be followed for the FY 2023-24 only.

3. Purchase of sports items / Uniforms etc.,

On the matter of purchase of sports items / Uniforms etc., FO told to the

ಕುಲಸಚಿವರು

ಕುಲಪತಿಗಳು

Committee that at present RGUHS has been following the wrong procedure of crediting the amount to the individual's bank accounts, who are all involved in the sports activities. The members present in the Committee discussed the matter in detail and came to the conclusion that the proper procedure in procuring the sports materials shall be followed as per the KTPP Act. And no amount shall be credited to any bank account of any sports men / women / coaches.

Action for 1-3: By the Deputy Registrar, Sports Section, RGUHS

c. BUDGET ALLOCATION FOR THE PUBLIC HEALTH ACTIVITIES FOR THE FY 2023-24:

After the detailed discussion the Committee unanimously approved to include Rs.35.00 Lakhs in the Financial Estimates for the FY 2023-24 for RGIPH Activities under the accounting code 02008004, and Head of Account PUBLIC HEALTH ACTIVITY/ CREATION OF AWARENESS THROUGH HOARDINGS AND SOCIAL MEDIA COVID 19.

Action: The same is approved in the 180th Syndicate meeting held on 11.07.2023 and amended (included) in the Budget Estimate of 2023-24

After the detailed discussion the Committee approved Rs.150.00 Lakhs for the FY 2023-24 under the Account Code 02017001 under the Head of Account PENSION TRUST and given post facto approval for the expenditure already booked under this head.

Action: The same is approved in the 180th Syndicate meeting held on 11.07.2023 and amended (included) in the Budget Estimate of 2023-24

SUBJECT NO.II:

a. To Open a Bank Account (SB-Sweepin Sweepout/Flexi) exclusively for the RGUHS Employees Pension Trust:

The Paper Laid Committee of Govt. of Karnataka in it's meeting held on 16/8/2022, while discussing about the Audit Report of 2018-19 and 2019-20, took the matter of Syndicate Bank (present Canara Bank) Scam held in the year 2015 very seriously. Hence the matter was placed before the Syndicate meeting held on 02.09.2022 to take the decision on the Syndicate Bank (present Canara Bank) scam and also to take some decisions on the business relations with the Canara Bank. The Syndicate told to have correspondence with the Canara Bank by specifying the deadline to return the money. If they do not return Rs.8.50 Crores + Interest with in the

ಕುಲಸಚಿವರು

ಕುಲಪತಿಗಳು

specified Dead line, all the financial transactions in the Canara Bank shall be stopped. And also, Canara Bank shall not be allowed to take part in future E-Bidding of Investments of RGUHS.

The subject was placed in 81st Finance Committee Meeting held on 21st September 2022 and also in 174th Syndicate Meeting held on 31.10.2022. Accordingly, the funds from Pension Trust at Canara Bank was transferred to the existing SB Account No. 64169884616 maintained at SBI, Jayanagar 4th Block, to have a permanent Pension Trust Account entirely in the name of PENSION TRUST, which shall be called as PENSION TRUST FUND ACCOUNT (SB Account No. 64169884616) maintained at SBI, 4th T Block, Jayanagar. But recently the Manager, SBI, Jayanagar 4th Block sent a mail saying that the bank is unable to update the PENSION TRUST PAN **AACTT5001G** to the above said Account, because the CIF for the RGUHS Account number 64169884616 is already linked to RGUHS PAN **AAALF0023C**, and the same CIF number cannot be linked to RGUHS EMPLOYEES PENSION TRUST FUND ACCOUNT, which is having different PAN. Hence there is a need to link the PAN of RGUHS EMPLOYEES PENSION TRUST FUND ACCOUNT, to an account, which is having a separate CIF number (which will be allotted on opening a new account) in the name of RGUHS EMPLOYEES PENSION TRUST FUND ACCOUNT. Then only the accounts of both the entities i.e., RGUHS Accounts and RGUHS EMPLOYEES PENSION TRUST FUND ACCOUNT can be maintained separately and IT TDS can be filed separately.

Accordingly, a mail was sent to some of the Regional / Zonal Offices of the Nationalised Banks to get the quote regarding rate of Interest for Sweep in Sweep out account (Flexi). But received reply from only SBI, Jayanagar 4 T Block and Union Bank of India, Jayanagar.

S.No.	Period	UBI (less than 2.00Cr ROI p.a.)	Period	SBI (ROI p.a. Sweepin Sweepout Accounts)
1	7 - 45 days	3.00	7 - 45 days	3.00
2	46-90 days	4.05	46-179 days	4.50
3	91-120 days	4.30	180-210 days	5.25
4	121-180 days	4.40	211days <01 yr	5.75

Decision: The Finance Committee after detailed discussion approved the proposal to open a separate bank account in the name of RGUHS EMPLOYEES PENSION TRUST FUND ACCOUNT in any Nationalized Bank as per Annexure B, para 4 of the Government Order No.FD 5 TAR 2017 Dated 30.01.2017. As per the above ROI quoted by the Banks, SBI, Jayanagar 4th T Block Branch is the highest quoter of ROI. Hence it is decided to open a new Account in the name of RGUHS Employees Pension Trust immediately in SBI, Jayanagar 4th T Block Brach. And also a ratification request in this regard

shall be made to the Government explaining about the circumstances under which the new account has been opened. FO, RGUHS shall inform the Bank to role map the PAN **AACTT5001G** of the RGUHS Employees Pension Trust Fund to this newly opened bank account, to be maintained entirely for pension purpose only as per the provisions of Pension Trust Deed, without waiting for the Governments permission and for the Syndicate's decision, since this account if not opened immediately, hampers the activities of Pension Trust and also affects the filing of IT returns and hampers the process of getting benefit of IT refunds.

Action: Finance Officer.

b. Monthly Accounts of RGUHS from 1st April to 31st July 2023:

Monthly Accounts of the RGUHS, i.e., from April 2023 to June 2023 is placed before the Finance Committee for its consideration and approval.

Decision: After detailed discussion the Committee has approved the monthly accounts of RGUHS from 1st April 2023 to 31st July 2023 as attached in Annexure 'B' of Agenda of 85th Finance Committee Meeting Agenda.

c. Audit Report of FDRs from Chartered Accountant :

Audit Report of the FDRs of RGUHS from FY 1996-97 to FY 2013-14, audited by Chartered Accountant M/s.Saraf and Chandra LLP, audited on the basis of the Digitalized FD Register (M/s.Saraf and Chandra LLP) is hereby placed before the Finance Committee for the discussion on the audit report. An order was passed by the University to audit the FDRs from the FY 1996-97 to 2013-14, vide RGU /PROC /AUDIT /FDR /111 /2021-22 Dated 23.02.2022, 21.09.2022, 01.12.2022, 03.03.2023 and 07.06.2023.

The Special Invitee, Mrs. Jyoti Kothari, Chartered Accountant, M/s.Saraf & Chandra explained to the members about the methodology adopted while carrying out the audit and also the challenges faced during the audit, since the records are of 27 year told. She told that the records maintained by RGUHS on investments are insufficient, because of which the Auditor had to rely either on the Investment Register or on FMS or on the Bank Statements. Whereas, for audit purposes all the records were necessary. And also told that the duplicate FDRs are not maintained, in which there would have been the account numbers of FDRs. Apart from these, other lacunas noted in the Audit Report also explains why this audit is not fully successful. She told that in the absence of many records the 'live' FDRs confirmation was done by writing to the banks either through letters or through mails only. And audit was made on the basis of the information provided by the banks about 'live' FDRs. Under these circumstances there was no other go but to submit the audit report.

As the credit confirmation was a challenging job FDR wise, it was requested to the banks to provide the information regarding any open FDRs / Inoperative accounts. Accordingly all the banks responded through mail / letter that there were no open FDRs/ Inoperative accounts in their respective banks except Canara Bank, and Union Bank of India. Canara Bank informed that there were two inoperative accounts at Nanjumalige Branch of Mysore with an amount of Rs.68,608/- (Credited back to University's account an amount of Rs.69109/- on 18.08.2023) and at MS Building Branch, Bangalore with an amount of Rs.10,03,238/- (in relation to this amount there is a litigation and writ petitions in the CBI Hyderabad Court and also in Hon'ble High Court of Karnataka) which cannot be credited to RGUHS account at present. St.Johns Church Road Branch of Union Bank of India had an inoperative account with an amount of Rs.1629/-. The UBI had issued a Demand Draft bearing No.51253708 for Rs.1629/- and the same is credited to RGUHS Account. During the audit, it was also found that 16 open FDRs of which one was at Sanjaynagar Branch of Canara Bank, with an amount of Rs.869466/- and 15 FDRs at Mahalakshmi Layout Branch of Canara Bank, with an amount of Rs.642330/- each, which were existing in the said branches only, which is now handed over to Finance Officer, RGUHS in original.

FO told that since the matter pertains to the Investment of surplus funds, of the olden days, this Audit report should be placed before the Syndicate, who is the Manager of funds and Investments.

Decision: The Committee noted the contents of the Audit Report and felt that since the matter is very old one, i.e, since the Investments are made long ago, and because of merger of the banks, there were no other go, but to accept the audit report in the absence of proper records from the University side. Finally after the detailed discussion the Committee accepted the Report as it is and advised the FO to take action with respect to the above said live FDRs and instructed to close the all such FDRs prematurely and credit the amount to the RGUHS' Bank Account.

Action: Finance Officer.

The Registrar (Evaluation) explained to the Members of Finance Committee that in the present notification the Remuneration to the Principal / Nodal Officer and Subject Expert at Nodal Centre is not included. And requested to give approval for the payment as per the proposed rate. The FO told that in the absence of the Financial Statutes these type of proposals shall not be entertained because there are no basis for the proposed rates. He also told that the present rate fixed for all type of exam duties, LIC inspections, Meetings etc., by the Syndicate through notification are not approved by the Government, which is very high now.

Decision: The Committee after detailed discussion approved the proposal placed by Registrar (Evaluation) by majority.

Action: Registrar (Eva) for issue of Notification in this regard through Authority Section after the approval of the Syndicate.

III. Table Agenda:

a. Auditing of Interest Received from Flexi Account (Sweep in Sweep out Account)

The Subject was placed by the Finance Officer. He told that the operative day

to day bank accounts in State Bank of India and CUB is converted in to Sweep-in and Sweep-Out deposit account as per the Government Order No.FD 5 TAR 2017 Dated 30.01.2017. The same is placed before the 82nd Finance Committee and approved in the 178th Syndicate Meeting held on 27.02.2023. The Interest credited to RGUHS Account in Sweep-in Sweep-out accounts needs to be verified by a Chartered Accountant. A separate quotation may be called for the purpose of verification of Interest credit by the Banks on this sweep-in sweep-out accounts. He told that an amount of Rs.4.00 to 4.50 Lakhs may be the estimated cost for this verification purpose and asked for approval to go for this.

Decision: The Committee agreed to go for quotation for assigning the above work.

Action: Registrar to call for quotation on the proposal by the Finance officer.

b. Auditing of Credit confirmation of Receipts from Colleges:

This subject is placed before the committee by the FO. FO told that recently it was observed that four Nursing Colleges remitted the fees shorter than the claimed receipt amount. He told that at present credit confirmation is being done by the Finance Section on the basis of proposal given by the respective faculties. But Finance Section has no control over the probable duplicacy of credit confirmation. Because there is no provision to block the already once confirmed amount. If faculties concerned sends the file once again, to the Finance Section for Credit confirmation, which is already confirmed earlier, there is no mechanism to find out this faulty procedure of sending the files twice or many times. Hence FO told that, as a pilot project, there is a need to get audited of all the credit confirmation by a Chartered Accountant. To start up he told that all the credit confirmations done by the Finance Section during the period from 1st September 2022 to 31st August 2023 shall be reconfirmed by asking for the files of the same period. Since this audit has to be done quite urgently and since hardly it costs around Rs.4.00 Lakhs, quotations may be called for this to fix the CA agency for this audit.

Decision: The Committee agreed to go for quotation for assigning the above work.

Action: Registrar to call for quotation on the proposal by the Finance officer.

c. Closure of Endowment Account:

This subject is placed before the Finance Committee. He told that at present all the Expenditure related to Endowment is being booked under General Fund Account only and the Endowment Receipts are also credited to General Fund only. In the recent 10(B) Audit, it is observed that the balance in the Endowment Books of Account and the balance in the Endowment Bank Account are not tallied to each other. So it is verbally advised that once the expenditure and the receipts of Endowment are being met by the General Fund, what is the use of maintaining a separate account, called as Endowment Account. And also as per Section 37(a) of RGUHS (Amendment) Act 2013, all fees including the Endowment fees shall be booked under

ಕುಲಸಚಿವರು

ಕುಲಪತಿಗಳು

General Fund only. Hence FO has requested the Committee to give approval to close the endowment Fund and transfer the leftover balance in the Endowment Fund Account to RGUHS General Fund Account.

Decision: The Committee recommended to close the Endowment Account at City Union Bank and transfer the funds to General Account held in the same bank.

Action: Finance Officer

d. Proposal for amendment to Notification of revision of rates of Travel Allowance for Exam duties of RGUHS:

The subject is placed by the Registrar Evaluation. FO told the Committee that, in the absence of the Financial Statutes, it is wrong to fix the rates as proposed by the Registrar (Eva). FO also told that the present rates existing in the University for TA/DA/Remn etc., have no approval from the Government, but approved in the Syndicate. He told that because of present rate, which is being paid now, University is loosing more than Rs.50.00 Cr per year. Hence he told that all the rates fixed by the University through Notification for TA/DA/Remn etc should be sent to the Government for its approval.

And also the same Committee should have given the estimated cost also.
