In this connection the scrutiny committee/CAC in its meeting held on 25/08/2022, 26/08/2022, 29/09/2022 and 03/09/2022 observed the following deficiency;

Decision of CAC: "No proof regarding Parent Hospital" after verification in KPMEA list of Hospital, the above hospital was not found. Hence not recommended.

The decision of CAC meeting was brought to the notice of the syndicate meeting. The Syndicate meeting held on 02/09/2022 approved the decision of CAC.

Following this an endorsement letter was sent to the college Principal communicating the decision of CAC & Syndicate meeting on 14/10/2022.

In this regard, the Principal in his letter dated: 15/11/2022 submitted the documents of KPME, College building photo, further he has stated the college is having a parent hospital, building infrastructure, staffs and library book as per the INC norms.

- But, in the submitted KPME documents by the college on 15/11/2022 KPMEA shows the hospital is Level-1A and certificate is approved on 17/11/2021.
- The college again submitted a request letter on 27/02/2023 along with PCB certificate with following details :
 - PCB certificate of 100 beds hospital approved on 12/01/2023
 - On checking the website of PCB, it shows that the hospital is 100 beds and approved on 13/09/2023
 - On recent verification of the hospital details on KPMEA website, KPMEA certificate shows that its Level-2 hospital & approval was received on 21/02/2023.

Based on the above facts, as the college did not fulfil the criteria of clinical facility for the year 2022-23 the application was not considered.

The college had filed a writ petition before the Hon'ble High Court in W.P 6390/2023 dated 04.07.2023, the Court passed the following orders.

	<p>i. The writ petition is allowed.</p> <p>ii. The respondent-University is hereby directed to pass appropriate orders on the representation submitted by the petitioner dated: 15/11/2022.</p> <p>iii. If required, it is always open for the respondent-University to secure further information from the petitioner society.</p> <p>iv. Since this representation is dated: 15/11/2022 and permission is sought for the year 2022-23, on account of not taking a decision on the representation, academic year is already lost, the respondent-University is required to examine as to whether petitioner is entitled for affiliation for the academic year 2023-24 in accordance with law.</p> <p>v. The petitioner is at liberty to file additional representation to consider their claim for the academic year 2023-24.</p> <p>vi. The pending interlocutory application, if any, does not survive for consideration and stands disposed of.</p> <p>Fresh petition (W.P 22432/2023) filed by the Ideal Education Society came up before the Hon'ble High Court on 10.10.2023 and as per the submission made by the University, the application will be reconsidered at the Syndicate meeting to be held on 20.10.2023.</p> <p>Noting the above developments, the CAC recommended that further decision following the report of the verification committee set up by RGUHS on 13.10.2023 shall be placed before the Syndicate.</p>
<p>ಸಿಂಡಿಕೇಟ್ ನಿರ್ಣಯ</p>	<p>As per decision of CAC surprise inspection team was constituted and the said team visited the college & hospital for physical inspection on 17/10/2023 and submitted its report to the Syndicate. The syndicate discussed in detail about the report and supported documents placed by the college along with its representation dated: 15/11/2022 and 13/09/2023. The surprise inspection team found that College Hospital having 30 beds strength only and the proposed college building is shown in the premisses of Namma Expert PU College and the proposed college is lacking with infrastructure and necessary equipments.</p>

	<p>Apart from these drawbacks, the Pollution Control Board certificates of different dates produced by the college are contrary to each other. In these circumstances, the Syndicate unanimously decided to reject both representations for starting the Dr. N.B. ಸಿಂಡಿಕೇಟ್ ನಿರ್ಣಯ	After deliberation Syndicate recommended for grant of continuation of affiliation for B.Sc MLT & B.Sc IT course with an intake of 20 seats each at HKBK College of Allied Health Sciences, Bengaluru for the academic year -2022-23.

Subject – VIII	The Syndicate has granted to approval for grant of Rupees 1.5 crore (Rupees One Crore Fifty Lakhs Only) to the Jayanagar General Hospital, Bengaluru for the upgradation of the Hospital.
Subject –IX	<p>Dr. Ramesh N. Reddy brought to the notice of the Syndicate that BTL College of Nursing had submitted application to start fresh B.Sc Nursing Course during 2020-21 and that time there was moratorium for starting new Nursing Colleges at Bengaluru Urban and Mangalore. There was a discrepancy whether this college comes under Bengaluru Urban or Bengaluru Rural. They had given the Demand Draft for Rs.6,51,000/- (Rupees Six Lakhs Fifty-One Thousand Only). The University returned the Demand Draft as there was no provision to credit the same. Immediately the college had done the payment through RTGS. When the new colleges were proposed this college was somehow not taken for scrutiny at all and kept aside, as the concerned section was unaware of the payment done by the college through RTGS. In spite of repeated reminders, no action was taken.</p> <p>When the matter was brought to his notice, the concerned file was verified and found that the college had paid the prescribed fee through RTGS immediately. Hence requested the Hon'ble Vice Chancellor to take a decision and inspect the college for granting fresh affiliation.</p>
ಸಿಂಡಿಕೇಟ್ ನಿರ್ಣಯ	Since there was a technical error on the part of University, this application shall be considered and LIC inspection will be conducted. This shall not be considered as a precedent. No other old applications for fresh colleges will be considered henceforth based on this instance.
