Decision of CAC	Continuation of affiliation can be considered subject to condition that before the academic year 2024-25 the necessary deficiencies will be complied with for AT & OT course. Faculty deficiency found, Renal dialysis faculty also not in the faulty list submitted hence continuation of affiliation for the academic year 2024-25 should be done after verifying clinical facilities & teaching faculty for the Renal Dialysis Course.

of 1st Year B.Sc Nursing was about to commence, keeping the interest of the admitted students they were provisionally allowed to write the Exams subject to confirmation to the verification of fees paid at a later date. Admissions were not approved.

In the 180th Syndicate the subject was placed and the Syndicate decided to file an FIR against the four colleges. In this regard an internal enquiry committee headed by Dr. Venkatagiri, Syndicate member and two others was constituted. The report was placed in 183rd Syndicate Meeting held on 20.10.2023 and it was decided to file an FIR against the four colleges. An FIR was filed at Tilaknagar, Police Station on 17.11.2023 and another reminder letter was sent to the Police station to submit an ATR regarding this matter. In the reports of Deccan Herald on 24.08.2023 - Syndicate member Dr. H J Jaikrishna has given a statement - "This needs to be investigated properly as we suspect a bigger scam". 09.01.2024 by Deccan Herald mentioning that the Government is to hand over the RGUHS scam to CID. Dr. H J Jaikrishna has stated that "My stand is vindicated and I welcome the government's decision".

The Hon'ble Vice-Chancellor has brought to the notice of the Syndicate that the University had only brought it to the notice of the Syndicate in its 180th meeting regarding fake receipts submitted by the four Nursing colleges to take necessary action in the matter and to file FIR. However, before filing a FIR it was decided to constitute an Internal Enquiry Committee. Accordingly, a committee under the Chairmanship of Dr. K Venkatgiri, Syndicate Member was formed to enquire and submit report. However, the report submitted by the Chairman of the committee was incomplete and without specific recommendations. Hence, he was asked to submit the report with specific recommendations.

As per the decision of the Syndicate in its 183rd meeting held on 20.10.2023 FIR was filed against these four colleges at Tilaknagar Police Station, Bangalore on 17.11.2023.

But one of the Syndicate Member Dr. H J Jaikrishna had given the press statement published on 24.08.23 "This needs to be investigated properly as we suspect a bigger scam" and another on 09.01.24 saying, "My stand is vindicated and I welcome the Government's decision".

When University itself has initiated the action and brought the matter before the Syndicate and filed FIR in the Police Station, the Syndicate Member has erred in giving unsubstantiated press statement without verifying it and sending it through Whatsapp.
