Circular

Dear Sir / Madam,

Rajiv Gandhi University of Health Sciences, Karnataka has taken many initiatives to transform the academic ecosystem and create innovative and practicable academic practices. In this direction, to sustain the quality processes in our University system, it is desired to establish a quality network involving all the affiliated institutions. This project is to support and encourage the quality academic practices and motivate the institutions and the teachers to perform better.

Earlier, we had sent a communication to all affiliated institutions to constitute Institutional Quality Monitoring Cell (IQMC), with the Dean / Director / Principal as the Chairperson and a senior faculty as its convener. In continuation of the process, it has been decided to organise an Orientation Session on **16th July 2016 at Dhanvantri Hall, RGUHS Main Building, from 10.00 a.m. to 4.00 p.m.**

In the first phase, we will be covering the faculties of AYUSH and Dentistry. Therefore, the Head of Institution and the Convenor of IQMC of each institution are informed to attend and get clarity on this project. This event will inform the participants regarding the Questionnaire that is designed to document the quality status of the institutions.

A copy of the questionnaire is attached herewith for your reference. You may go through the same and come prepared for interaction during the Orientation Session.
