1. The first part of the document is a letter from the President of the United States to the Congress, dated January 1, 1861. It is a very important document, as it sets out the policy of the new administration.

EXHIBIT 1

The second part of the document is a report from the Secretary of the Treasury, dated January 1, 1861. It contains a detailed account of the financial condition of the United States at the beginning of the year. The report is very important, as it provides a clear picture of the country's finances at the time.

The third part of the document is a report from the Secretary of the Interior, dated January 1, 1861. It contains a detailed account of the land and mineral resources of the United States. The report is very important, as it provides a clear picture of the country's natural resources at the time.
