**Minimum requirements for a Post-Graduate Teaching Centre:**

An Institute/College desirous of commencing a Masters programme in Physiotherapy must have an already existing full-time undergraduate programme in Physiotherapy and should duly be recognised by the IAP. Furthermore, the first batch of undergraduates should have qualified before the College/Institution can be considered for a Master’s programme. Prior approval from the statutory body and recognised University and Government is mandatory prior to course commencement.

The institution must satisfy the minimum requirements for undergraduate training as prescribed by RGUHS and in addition must fulfil the requirements of postgraduate training.

Year of Commencement of BPT Program	
Year when the first batch of undergraduates qualified	
Number of undergraduate batches graduated	
Year of Commencement of MPT program	
Year when the first MPT batch graduated	
Number of post graduate batches graduated	

**Guide Position for MPT program**

PG Guide/Unit and Student Ratio is 1:3

The guide approval letter of RGUHS to be attached as mandatory requirement for recognition of the unit.

PG Guide Eligibility for One Unit: MPT with 3 years’ experience

Sanctioned Intake	Students Admitted	No. of Units	Required No. of Guides	Remarks
