

A Statewide Movement for Life

RGUHS Leads Karnataka Towards Drug-Free Campuses

- District-wise participation:

Mangaluru: 13,000 students

Bidar: 5,000 students

Bagalkot: 5,000 students

Gadag: 2,000 students

Chitradurga: 4,000 students

Udupi: 3,000 students

Koppal: 1,000 students

Davangere: 5,000 students

Mudabidare-5000 students

- In total, over 43-45 thousand students were participated, making it one of the largest coordinated awareness initiatives undertaken by RGUHS in recent times.

- Under the visionary leadership of RGUHS Vice-Chancellor Dr. Bhagavan B.C., Rajiv Gandhi University of Health Sciences successfully organised large-scale awareness programmes on

“Nasha Mukta Campus (Drug-Free Campus)” and Organ Donation across Karnataka.

- The campaign was conducted across eight districts: Mangaluru, Udupi, Mudabidare, Bagalkot, Bidar, Gadag, Koppal, Chitradurga and Davangere.
- Thousands of students and faculty members actively participated in Awareness Walkathons, showcasing strong commitment towards substance-free living, health awareness, Promotion of organ donation
- All affiliated colleges participated with utmost interest, discipline, and enthusiasm, turning the campaign into a vibrant platform
- The programme significantly strengthened awareness on drug abuse prevention and the life-saving importance of organ donation.
- This impactful initiative stands as a strong testament to RGUHS’s unwavering commitment to public health promotion, student welfare, and societal well-being across Karnataka.
