Sub: Informed to Follow, Share and Like Official Social Media Platforms of RGUHS

All Principals/Directors of affiliated colleges under Rajiv Gandhi University of Health Sciences (RGUHS) are hereby informed that the University has made significant progress in strengthening its official social media presence.

The University has successfully achieved a reach of more than **6 lakh users** during the recent Convocation programme through its official social media platforms. In continuation of this, it is expected that the upcoming “**Nasha Mukth Bharath Conclave, RGUHS Four dation Day and International Day Against Drug Abuse and Illicit Trafficking Programme**” will achieve even greater visibility and outreach.

In this regard, all affiliated colleges are requested to actively support and participate in enhancing the University's digital presence.

Instructions:

- All colleges are requested to **follow, like and share** the official social media handles of RGUHS.
- As a token of appreciation, RGUHS will recognize colleges that actively engage with our official social media through regular follows, likes and shares.
- Institutions are encouraged to circulate official posts through their respective college social media platforms.
- Faculty members, students and institutional pages may also be encouraged to engage with official content.
- All communications must ensure sharing of only verified and official content from RGUHS.
