POST GRADUATE STUDENT'S LOG BOOK

MD - PSYCHIATRY

.NAME:

YEAR: _ .. _ .. _

LOG BOOK
MD PSYCHIATRY
RGUHS

Name of the student:-

Academic year:-

College:-

- 1) All head of the departments to ensure completion of log book at the end of every academic year.
- 2) Every item to be graded as follows-
0. Poor 1. Average 2. Good 3. Excellent.
- 3) Postgraduates need to maintain a separate daily record of the following academic/clinical work:- Bedside clinics/ward rounds, Case presentation, Subject seminars, Journal clubs, Psychotherapy, Psychological testing, UG teaching by postgraduates and CME's/conferences attended.

Signature of the Supervisor

Signature of the HOD

1ST YEAR

1. Clinical work

| | |
|--|--|
| No of Inpatients seen | |
| No of Out Patients seen | |
| No of bedside referrals seen | |
| 1. Punctuality | |
| 2. Interaction with colleagues and support staff | |
| 3. Maintenance of case records | |
| 4. Ability to present cases | |
| 5. Ability to plan management | |
| 6. Rapport with patients and their family | |
| 7. Ability to manage emergencies | |
| 8. Overall grading | |

2. Case conferences

| | |
|-------------------------------------|--|
| Number of cases presented | |
| 1. Completeness of history | |
| 2. Clarity of presentation | |
| 3. Accuracy of examination findings | |
| 4. Ability to arrive at diagnosis | |
| 5. Ability to plan management | |
| 6. Ability to prognosticate | |
| 7. Overall grading | |

3. Seminars

| | |
|--------------------------------------|--|
| Number of seminars presented | |
| 1. Adequacy of literature review | |
| 2. Comprehensiveness of presentation | |
| 3. Clarity of presentation | |
| 4. Appropriate use of AV aids | |
| 5. Quality of discussion | |
| 6. Overall grading | |

4. Journal Club Presentations

| | |
|---|--|
| No of journal clubs presented | |
| 1. Clarity of presentation | |
| 2. Quality of literature review | |
| 3. Competency in understanding statistics | |
| 4. Ability to critically evaluate | |
| 5. Overall grading | |

5. Number of departmental academic programmes attended

| | |
|---------------------|--|
| 1. Seminars | |
| 2. Journal clubs | |
| 3. Case conferences | |

6. Psychotherapeutic skills

| | |
|---|--|
| Number of psychotherapies performed | |
| Type of Therapies used | |
| Total number of sessions conducted | |
| 1. Ability to identify case for psychotherapy | |
| 2. Ability to formulate case | |
| 3. Ability to identify target areas for therapy | |
| 4. Ability to establish therapeutic alliance | |
| 5. Understanding and application of techniques | |
| 6. Quality of session notes | |
| 7. Discussion with consultant | |
| 8. Ability to report session as per Mental Health Care Act,2017 | |
| 9. Overall grading | |

7. Psychological assessments

| | |
|--|--|
| No of psychological assessments performed | |
| 1. Ability to identify case for assessment | |
| 2. Ability to identify target areas of assessment | |
| 3. Background knowledge of test | |
| 4. Ability to administer test as per instruction | |
| 5. Ability to interpret test finding | |
| 6. Ability to effectively write a report | |
| 7. Ability to use findings for case management | |
| 8. Ability to report assessment as per Mental Health Care Act,2017 | |

8. Clinical Procedures performed (number performed)

| | |
|------------------------------|--|
| 1. EEG | |
| 2. Brain stimulation methods | |
| 3. Biofeed back | |

ECT

| | |
|--|--|
| 1. Ability to coordinate with other members of team. | |
| 2. Ability to psycho educate patient & family. | |
| 3. Ability to obtain informed consent. | |
| 4. Ability to perform successful ECT session. | |
| 5. Ability to handle side effects of ECT. | |
| 6. Ability to manage emergencies. | |
| 7. Ability to document and maintain records. | |

9. Paper and poster presentations/ publications

| Sl. No | Date | Title | Type of presentation | Forum of presentation | Journal of publication(if published) |
|--------|------|-------|----------------------|-----------------------|--------------------------------------|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

10. Conferences and CMEs Attended

| Sl.no | Name | Date | State /National/international |
|-------|------|------|-------------------------------|
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

11. Details of External posting

| Institute | Department | Date From | Date to | Total |
|-----------|------------|-----------|---------|-------|
| | | | | |
| | | | | |
| | | | | |
| | | | | |

12. Teaching skills

| | |
|--|--|
| Number of classes conducted | |
| 1. Ability to communicate learning objectives of the class | |
| 2. Ability to evoke interest among Audience | |
| 3. Effectiveness of communication | |
| 4. Ability to use appropriate AV aids | |
| 5. Clarity of presentation | |
| 6. Ability to Clarify doubts of students | |
| 7. Ability to effectively manage time | |
| 8. Ability to summarize | |
| 9. Overall grading | |

13. Details of internal assessments

| Sl.no | Date | Theory results | Practical results |
|-------|------|----------------|-------------------|
| | | | |
| | | | |
| | | | |
| | | | |
| | | | |

14. Details of leaves taken.(long absenteeism)

| |
|--|
| |
| |
| |
| |
| |
| |

15. Details of special Achievements

| |
|--|
| |
| |
| |
| |
| |
| |
| |

15. Dissertation work

| | |
|---------------------------------------|--|
| Title: | |
| Thesis Guide | |
| Synopsis | |
| 1. Interest shown in choice of topic | |
| 2. Completeness of literature review | |
| 3. Understanding research methodology | |
| 4. Quality of protocol | |
| 5. Discussion with guide and co-guide | |
| Periodic Evaluation | |

| | |
|--|--|
| 1. Regular consultation with guide and co-guide | |
| 2. Regular collection of case material | |
| 3. Periodic presentation of progress in dissertation within department | |
| Quality of completed dissertation | |
| 1. Adequacy of literature review | |
| 2. Completeness of statistical analysis | |
| 3. Interpretation of results | |
| 4. Quality of discussion | |
| 5. Ability to synthesize findings | |

16. Details of community activity undertaken:-

| | |
|--|--|
| | |
| | |
| | |
| | |
| | |
| | |
| | |
| | |

17. Forensic Psychiatry:-

| | |
|--|--|
| Number of medico legal cases seen | |
| Number of cases seen under POCSO | |
| 1) Knowledge about Acts relevant to psychiatry | |
| 2) Ability to comprehensively evaluate medicolegal cases under relevant acts | |
| 3) Ability to prepare a medico legal report for appropriate authority | |

18. Overall assessment of postgraduates

| | |
|--|--|
| Clinical acumen | |
| Academic performance | |
| Research activities | |
| Administrative abilities | |
| Collaboration with other medical specialties | |
