4th T Block, Jayanagar, Bangalore – 560 041

☎ 26961936, FAX: 26961936

Date: 04.08.2008

To,
The Principals of all Colleges affiliated to RGUHS.

Dear Sir / Madam,

Sub: Training of Trainers of Health Sciences institutions.

Ref: RGUHS letter of even no dated: 28:01:2008.

You are all aware that the main aim of RGUHS is to achieve the academic excellence by educating and Training Health professionals. To improve the quality of Health professional education and to inculcate accountability, the RGUHS has established Academy of Health Sciences in Mysore on 1st June 2001.

A series of Training of Trainers workshops were conducted at Mysore for all the faculties apart from conducting such TOT workshops at different colleges.

Further, realizing the importance of TOT workshops, many affiliated colleges are requesting the university to conduct TOT workshops in their respective colleges.

The minimum duration required for conducting of TOT workshop is 3 – 4 days and also 3-4 resource persons are required to conduct TOT workshop.

To achieve the goal of training all the Health Science professionals the university has to conduct TOT workshops continuously throughout the year.

At present, the university is conducting around 10 TOT workshops in a year with the help of few trained staff stationed centrally. Hence, it is not possible to conduct TOT workshops for all faculties continuously throughout the year unless multiple teams of resource persons for different faculties are created at different zones.

So, it is necessary to identify the resource persons who could be able to conduct TOT workshops in their respective zones continuously.

As such, you are requested to send the list of teachers who are committed and trained for conducting teachers training programme immediately to the university.

You are also requested to inform whether you are willing to be recognized as a nodal centre for conducting of TOT workshops.

Thanking You,

Yours faithfully,

Sd/-

(Dr. S. Vasantha Kumar)
