Opening an OvidSP Session

- Open the RGUHS Website at www.rguhs.ac.in
- Click on Digital Library
- Select LWW

Select Resources to Search

- Select one resource by clicking on its name or
- Select several (or a Group) by clicking the checkboxes and Select Resources button
- To add external resources, include Universal Search sources (when available)
- To select different resources after starting your search, choose Resources, then in Selected Resources, choose Ovid Resources (or Universal Search) and Select Resource(s) and Run Search if required

Main Search Page

- Choose Search on the Main Navigation Bar then select a search mode
- Select the Multimedia tab to browse all multimedia assets

Basic Search

- Enter a complete topic or question, and click Search
- Select Include Related Terms to broaden your search
- Filter By Relevancy to select 5 star results
- Add Limits or Filter By criteria as desired

OvidOpenAccess

- Search Open Access and subscribed content together
- Select View all Open Access results to view separately from subscribed content
- Select to close/open the OvidOpenAccess widget
- Open Access results are only available when using Basic Search

Advanced Search

- Enter each individual subject word/phrase and click Search. Mapping will suggest terms from the database vocabulary (when available)
- Use Keyword (.mp.) containing Title, Abstract, Subject Headings (or Full Text) and other fields for a general subject search
- Searching Author, Title (of article), Journal Name or Book Name is also possible
- Use the checkboxes to combine the required subjects with the AND or OR operator buttons, or enter the operator NOT
- Multimedia results are available when using Basic Search or Advanced Search
