Dr. D. Prem Kumar
Registrar

Editorial Board

Dr. Pranesh Gudur
Director In charge, Prasaraanga

Dr. Rajkumar Dongre
Assistant Registrar, Prasaraanga

Estd : 1996

The Emblem of the Rajiv Gandhi University of Health Sciences is a symbolic expression of the confluence of both Eastern and Western Health Sciences. A central wand with entwined snakes symbolizes Greek and Roman Gods of Health called Hermes and Mercury is adapted as symbol of modern Medical Sciences. The pot above depicts Amrutha Kalasham of Dhanvanthri the father of all Health Sciences. The wings above it depict Human soul called Hamsa (Swan) in Indian Philosophy. The rising Sun at the top symbolizes knowledge and enlightenment. The two twigs of leaves in Western Philosophy symbolize Olive branches which is an express of Peace, Love and Harmony. In Hindu Philosophy it depicts the Vanaspathi (also called as Aushadi) held in the hands of Dhanvanthri, which are the sources of all medicines. The lamp at the bottom depicts human energy (Kundalini). The script "Devahitham Yadayahu" inside the lamp is taken from Upanishath Shanthi Manthram (Bhadram Karnebhi Shrunuyanadev...) Which says "May we live the full span of our lives allotted by God in perfect Health" which is the motto of Rajiv Gandhi University of Health Sciences.

VICE-Chancellor's Message

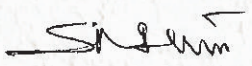

Vice-Chancellor Speaks to the Donors:

The donors have endowed fabulous convincing sum as per statutes framed by the University in the year 1997, and have expressed their good wishes to the best performers in our examinations.

The university's primary duty is to impart education, inspire, stir up and ignite acceptable wisdom, as well as to evaluate and assess the knowledge absorbed, declare the merits. We have to honor the students based on performance as per the wishes of donors who have endowed these sums. In the past the University awarded medals of silver with gold plate on them, subsequently we resorted to award gold in its purity to express and appreciate performance of the students, but it had a severe blow on the university financial plan. The donors may appreciate the University has to award medals of gold and not to award medals that resembles gold. Through the column of the University News Letter, I consider it necessary to inform the donors, that the endowed amount must be refreshed from time to time with additions to supplement the cost. The donors may do some thing about this.

I still remember the admiration that lit up on the faces of the Deans and Board who identified the promising, talented, auspicious performers who deserve to get the medals out of the endowments instituted. It is hard to believe that, in spite of all our good wishes we resorted to award Gold Medal / cash prize. You can have a quick look the details of donors who instituted endowments and the details of the award winners in the statement.

Dr. S. Ramananda Shetty
Vice-Chancellor

NURSING

KLE's INSTITUTE OF NURSING SCIENCES, HUBLI

KLE Society's Institute of Nursing Sciences Hubli celebrated Lamp Lighting & Oath Taking Ceremony of 8th Batch of B.Sc Nursing & GNM on 14th January 2011. Shri Sridhar K.V, Shri Tukaram.B.Zagade, Dr. B.S. Anami & Dr. V.S.Sadhunavar inaugurated the function by lighting the lamp. Shri Sridhar K.V, Principal, Fortis Institute of Nursing, Bangalore & was the Chief Guest. He congratulated the young budding nurses & appealed the students to have command over the language & develop the knowledge & skill of nursing to become a good nurse. Even he emphasized that mushrooming of nursing colleges are deteriorating the quality of education & nowadays youngsters are back of degree & are not interested to gain knowledge. Hence he urged the nursing students that they should have a passion towards the profession & to learn the maximum during their student period.

Shri Tukaram.B.Zagade, Deputy Registrar, Maharashtra Nursing Council, Mumbai was the Guest of Honor. He said that the quality of nursing education is based on dedicated faculty, Adequate infrastructure & hospital facility for clinical practice. He congratulated the students for choosing the right profession in the right institution.

Dr. B.S.Anami, Principal, KLE Institute of Technology, Hubli was also the Guest of Honor. He said the students to inculcate the qualities of good nurse like empathy, flexibility, emotional stability, humanity,

kindness & good communication skills. He narrated the history of nursing profession & appealed the oath taken students to follow the footsteps of Florence Nightingale: the pioneer of modern Nursing. Dr.V.S.Sadhunavar, Director, Board of Management, KLE Society, Belgaum, presided over the function. He spoke that the nurses are the backbone of health care delivery system & every hospital should have skilled & specialized nurses to take care of the patients. Mr. Sanjay. M. Peerapur, Principal, KLE Society's Institute of Nursing Sciences, Hubli, welcomed the dignitaries & highlighted on the importance of lamp lighting & oath taking ceremony for nurses. Ms. Meenaxi Devangmath, Professor & HOD recited the oath to the new budding nurses. Mr Prasanna Deshpande, Asst Professor, Proposed the vote of thanks.

PADMASHREE COLLEGE OF NURSING, BANGALORE

Padmashree college of nursing had organized the one day state level conference on the theme "Application of Theory Based Conceptual Models In Clinical Nursing Research". The conference aimed at critically analyzing the basic concepts of theories, conceptual models and developing skill in implementing specific models and theories in nursing research studies. Around 260 delegates from 30 colleges from all over Karnataka such as Mysore, Mangalore, Tumkur, Belgaum and also from other states like Andhra Pradesh and Tamilnadu have participated in this conference.

The conference was inaugurated by honourable chief guest Prof. B.A. Yathi Kumara Swamy Gowda, B.O.S Chairman (PG), RGUHS and delivered inaugural address for the conference. Dr. C.N. Ashwath Narayan, Managing Trustee of PGI and M.L.A of Malleshwaram constituency and Mr. Narayanappa, Managing Trustee of PGI, Dr. Vasudeva, Director encouraged the participants and conveyed their wishes to the organisers. Dr. Fathima. L, Principal unfolded the theme and emphasised the key points of the conference. The scientific sessions highlighted on the evolution, types of theories, purposes, scope, implications of theories, conceptual model, development and application of theory based conceptual model in five different speciality areas. A practical session was conducted on developing the conceptual model based on the statement of problem and the variables given. Valedictory session was inaugurated by Dr. K. Lalitha, H.O.D of Nursing Department, NIMHANS. Madam highlighted the significant features of the conference and appreciated the efforts of organisers in conducting this conference. Msc nursing II year students gave a fabulous performance at the end of the conference.

The Staffs and Msc Nursing I year students of Medical Surgical Department had celebrated World Stroke Day on a theme "ONE IN SIX - ACT NOW" by distributing the pamphlets to 150 local inmates of Nagarbhavi from 29th Oct to 2nd Dec 2010 and created awareness among the elderly adults regarding the warning signs, risk factors and prevention of stroke. A symposium was also organised on the theme in the college campus for the staffs and the students on 3rd Dec 2010. The programme highlighted the fact that one in six individuals worldwide will have a stroke in their lifetime and focussed on acting on six easy challenges to reduce the burden of stroke.

The community health nursing department of padmashree college of nursing organised a "Nutritional Awareness Programme" on 21/12/2010 along with II year M.Sc., (N) at Sulikere village, Kengeri under the guidance of Prof. Suseela J R, H.O.D of Community Health Nursing Department. The programme was headed by Mr. Narayanappa, Managing Trustee of padmashree group of institution, Mr. Maregowda, Village President and Dr.Reshma, Medical Officer, Sulikere PHC. Awareness was created by displaying food sources such as fresh green leafy vegetables, pulses, cereals and audiovisual aids such as charts, posters.

The public and the adolescent students of the school were also motivated to develop their own kitchen garden in their premises. Physical examination including height and weight to find BMI were assessed to detect for malnutrition. At the end of the programme "BASELE SOPPU" plants were distributed to the antenatal mothers, school children and also for the volunteers who were interested to have the plants in their houses and school premises.

A journal club presentation was organised by the child health nursing department on "Shaken Baby Syndrome" in the month of February 2011 under the guidance Mrs. Arockia Mary, H.O.D of Child Health Nursing Department. The motto behind this presentation was "Never Shake The Baby, It Just Takes 3 Seconds To Change Baby's Life Forever" since the condition is very often misdiagnosed in Indian scenario and also the result of 20% mortality and 80% morbidity among infants.

Obstetrical and Gynaecology Nursing department of Nitte Usha Institute Of Nursing Sciences under Nitte University organized a national Conference on "Nursing For Women's Health And Health For Women" on 2nd & 3rd of December 2010 at seminar hall, Justice K. S. Hegde Charitable Hospital, Deralakatte, Mangalore.

Health is one of the key concept of nursing. In today's complex, fast paced society, it sometimes seems that health takes a back seat to other aspect of life. The area of women's health is broad and diverse, spanning from the miracle of life to the devastation of female diseases. There are variety of women's health problems that require specific attention, treatment and action. One important role of nursing is to help the health care consumers to recognize the positive effect of being healthy can have on their lives; another step is to help them to develop strategies to improve their health. Let this conference focus a ray of hope in restoring women's health of our nation.

Before the inauguration was an Ice Breaking Session by Mrs.Mamatha Bhandary, Student Counsellor, Nitte University, with a view to make the delegates know each other.

The conference was inaugurated on 02-12-2010 at 10:00AM. Chief Guest for the event was Dr.R.Vasundhara, Principal, NRI(CON), Andhra Pradesh. Dr.Sudhakar Nayak, Registrar, Nitte University was the Guest of Honour and Prof.Mrs.Meera K.Pillai, Principal, NUINS(CON) presided over the function. Prof.Mrs.Shineey Paul, HOD OBG Nursing Department, the organizing chairperson and Mrs.Philomena Fernandes, the organizing secretary of the conference were also present on dias. Prof.Mrs.Shineey Paul, HOD OBG Nursing Department NUINS in her welcome speech extended a warm welcome to all the dignitaries.

Dr.R.Vasundhara, Principal, NRI(CON), Andhra Pradesh, the chief guest for the event in her key note address spoke on concept of women's health, highlighting major concern on plight of women among the developing countries because of high prevalence of infant, child and maternal mortality and deteriorating quality of life. She accentuated her speech on efforts to improve women's health which must include activities oriented to men. She also stressed on the factor that improving women's health requires a strong and sustained commitment by governments. Dr.Sudhakar Nayak, the guest of honour for the event congratulated the organizers for the topic selected for the conference and wished all the success for two days conference. Prof.Mrs.Meera K.Pillai, Principal, NUINS(CON) in her presidential address spoke regarding the women empowerment. Mrs.Philomena Fernandes delivered vote of thanks.

The first session of the day was dealt by Dr.K. Lalitha, Prof & HOD Mental Health Nursing department, NIMHANS on 'Psychological challenges/Mental health issues among women'. This was followed by the second session on 'Impact of obesity in obstetrics-New challenges and issues' which was dealt by Dr.R.Vasundhara Principal, NRI(CON), Andhra Pradesh.

The afternoon session was taken over by Dr.D.K.Shetty, Prof, OBG Department KSHEMA, and the session was on 'Impact of menopause on osteoporosis/cardiac disease'.

The day ended with a Cultural Programme, followed by Banquet at KSHEMA Auditorium
