CIRCULAR

Consequent to the decision taken in the 116th Meeting of Syndicate held on 21-12-2015, Rajiv Gandhi University of Health Sciences is embarking on enabling the applicants to generate eligibility certificates through online for courses offered by it from 28-03-2017.

The process of this system is as follows:

1. Applicants shall access www.ecms.online and generate the eligibility certificate through user-friendly interactive mode.
2. Admission-seekers will approach the institution and present the online generated eligibility certificate along with the original documents.
3. The head of the institution shall verify and validate the certificate by affixing his seal and signature after comparing the scanned uploaded documents with original documents. Head of the Institution shall also ascertain whether the candidate fulfills the eligibility criteria prescribed by the University in its ordinance for the concerned course.
4. The head of the institution shall send the verified and validated eligibility certificates along with the original documents on or before the last date prescribed by the University for Submission as per the calendar of events.
5. The University shall conduct the final verification and validation of the eligibility certificate forwarded by the head of the Institution.

The advantages accrued from this system are as follows:

1. The applicants are enabled to know their eligibility status and generate the certificate from www.ecms.online, thereby avoiding a visit to the University
2. The delay in admission approval for want of eligibility certificate is avoided.
3. The controversies, if any, about eligibility, is settled well before admission approval

General instructions.

1. Head of the Institution should not admit any student without eligibility certificate wherever required.
2. Admission made by head of the Institute shall be provisional until and unless it is confirmed by the University. Mere verification and validation of eligibility certificate by the head of the institute does not amount to confirmation of admission.
3. The head of the institutions who are already familiar with the eligibility criteria of the courses run in their institution may obtain additional required clarification from the respective ordinances hosted in www.rguhs.ac.in / guide book hosted in www.ecms.online and through email to swf@rguhs.ac.in / deputyregistrarrguhs@gmail.com.
4. Information regarding the validity of the institution and the qualifying examination claimed by the applicant may be obtained from COBSE list (for approved Indian boards for 12th qualification), AIU list of equivalence of foreign degrees (as per the latest edition of the book available on sale from Association of Indian Universities), UGC approved institutions, Guide book (all are available in internet) etc to help in their verification and validation of eligibility certificate. They are also requested to contact swf@rguhs.ac.in / deputyregistrarrguhs@gmail.com.
5. While encouraging the system of online generation of eligibility certificate, the University keeps open the option of manually receiving and processing the application of eligibility certificate and issuing the certificate till 31-05-2017.

The co-operation of all concerned is solicited to make this provision successful.
