CIRCULAR

As you are aware that the Government of Karnataka is responding to the challenges posed by COVID-19 on a war footing, RGUHS is participating actively and supporting the actions and activities of the Government. Similar proactive involvement is expected from all medical colleges.

The Management and Administrators of most Medical colleges in Karnataka state have already provided Human resource details of respective colleges to the University. Such of those who haven't submitted the list may do so immediately (proforma enclosed). In continuation, the Management and Administration of all the medical colleges are hereby directed to deploy their faculty as per the deployment plans issued by competent authority of the Government from time to time.

Furthermore, the authorities are directed to instruct their faculty and other human resources not to leave head quarters for the period of this emergency. Any instance of dereliction or failure to comply will be viewed seriously and action may be initiated as per the provisions of The Epidemic Act 1897.

I thank you in anticipation of your continued cooperation. Together we can overcome this crisis. All of us should rise to the occasion in national interest.
